NOTE FOR: Director of Personnel

ATTENTION [redacted]

FROM: EA/ExDir

As requested, attached is a copy of the minutes for the 19 July 1984 EXCOM meeting on the Career Trainee Program.

With regard to your question on the status of new CTs, the EXCOM decided that:

- All CTs will be hired as full staff employees.
- CTs who are entering overseas-oriented careers will, upon EOD, be subject to an extended probationary period of sufficient length to judge the CT's suitability.
- OP will draft implementing instructions.

[redacted] reaffirmed today the above probationary policy.
